Subject: Commission resolutions

Jamie,

Good morning! Hope you had a good weekend.

The ETV Commission passed two resolutions on Friday. The first was a resolution on the budget (see attached). It was passed unanimously with Zais abstaining.

The second was a simple resolution that gave Commission backing to the plan from the Task Force (also attached). The vote was unanimous with no abstentions.

My sense is that this was an historic day for the Commission. A new era at ETV has begun.

Thanks,

Brent
