Subject: What Lindsey Graham Did to Save Obamacare

Katherine,

Lindsey Graham has been working behind the scenes to make sure he supports President Obama anyway he can.

Even with Obamacare.

Did you know that Lindsey Graham was the only Republican to support left-wing extremist Justice Elena Kagan for Supreme Court in the powerful Senate Judiciary Committee?

In fact, because of Lindsey Graham's support, Elena Kagan now sits on the Supreme Court.

And naturally – **she voted to make Obamacare the law of the land.**

Don't be upset with President Obama or Elena Kagan...we knew where these liberals stood.

You should be mad at Lindsey Graham.

I am. Are you? **If so, please show Lindsey Graham by sending me your generous gift of \$250, \$100, \$50, \$25 or even \$15 today.**

Obamacare became the law of the land with a 5-4 vote. Just one vote! Elena Kagan was that one vote.

And Lindsey Graham was the only Republican to support her.

He has betrayed our core conservative principles, and has given an elite leftist a permanent seat on the Supreme Court.

Thanks for nothing Senator Graham!

I guarantee you I will not turn my back on our shared values like Lindsey Graham has done to the good people of South Carolina.

Now, we have learned that because of Elena Kagan and Lindsey Graham, the 2nd largest insurer in South Carolina is pulling out – leaving thousands of families without coverage.

My name is State Senator Lee Bright and in a few months voters in South Carolina will go to the polls and send a message to Lindsey Graham that they are tired of his shenanigans.

You see, Obamacare is the scourge of the land and it's all because Lindsey Graham sided with President Obama and Harry Reid and voted to confirm Elena Kagan to the Supreme Court.

RINO's like Lindsey need to be stopped. And that is why I was proud to announce that I am standing up for conservatives everywhere to defeat Senator Graham.

You should know that I am a true conservative, with a voting record to back it up.

I was the primary sponsor of an Obamacare-stopping bill that would protect South Carolina from implementing Obamacare and wreaking havoc on South Carolina's economy, small businesses, and working families.

But I need your help. Lindsey Graham has been shaking down lobbyists in Washington D.C. for millions of dollars because he knows he cannot rely on his voting record to save him. He needs to run attack ads on me, my family, and my friends.

I need you to show that you support defeating Lindsey Graham with your contribution of \$250, \$100, \$50, \$25, or even \$15 today!

I cannot do this alone. I need your help. Please do what you can today.

In Defense of Liberty,

Lee Bright
