Subject: Webinar: Rethinking Civic Technology's Place and Purpose

Hi Tony,

I would like to personally invite you to our upcoming complimentary webinar, *Rethinking Civic Technology's Place and Purpose*, with special guest Stephen Goldsmith.

In this webinar, I'll be joined by Goldsmith, co-author of *The Responsive City*, Harvard Professor and former Deputy Mayor of New York City, as we discuss the next and necessary evolution of civic tech and the real measurement of how to improve civic engagement in total: applying technology to government processes in such a way that processes improve, decisions are more well-informed and government staff and officials can more easily do their jobs.

Webinar: Rethinking Civic Technology's Place and Purpose

Date: Wednesday, Feb. 25th

Time: 11:30 a.m. PDT / 12:30 p.m. MDT / 1:30 p.m. CDT / 2:30 p.m. EDT
