**Subject:** [NCEAELDERABUSE] Building Respect for LGBT Older Adults- an online learning tool

Dear Elder Justice Colleagues:

Intended to foster respect and provide an introduction to LGBT aging for long-term care and other aging service providers, SAGE's National Resource Center on LGBT Aging has posted an online learning tool entitled "*Building Respect for LGBT Older Adults*". This tool is split up into six modules, each approximately 10 minutes long.

For more information and to register please visit [here](#).

Many thanks,

The NCEA Team
