This practical, soft-cover volume contains the Rules of Professional Conduct, Rules for Lawyer Disciplinary Enforcement (SCACR 413) and a number of other important rules including financial recordkeeping and conduct during depositions. This publication is thoroughly annotated with relevant case law and Ethics Advisory Opinions current through December 31, 2015. It also covers related legal topics including malpractice liability, attorney-client privilege and the work product doctrine, in addition to comparisons of each SC Rule with the corresponding Model Rule and many handy cross-references. Each book purchase comes with the complete text on a searchable CD. Best of all, authors will post updates to the book on a website devoted to keeping subscribers completely current on the latest rule changes and other ethics developments covered in the book.
