Jimmy,

I have made the revisions we discussed on the phone and have attached them for your review / approval. The changes were:

- Inserted new sentence in paragraph 1 to identify the portal (highlighted in yellow)
- Clarified the portal in 2nd paragraph (highlighted in yellow)
- Modified the User signature block to accommodate Val's comments, please that section (user signature block only)

Please email your approval as soon as you can.

Thanks!

JMc

Jimmy,

I have marked up the proposed version from NIC. My changes and comments are in violet.

Call me on my cell to discuss, if you want. Though I am working on my PC here at home, I am not online fulltime.
