Dear Mrs. Haley,

What an honor it was to meet you and have lunch with you for the Public Service Appreciation lunch on Thursday, January 28, 2016! I am very appreciative of this opportunity and am also excited about the future for South Carolina under your leadership.

It was a good opportunity to meet and network with individuals from other state agencies as well as hear all of the exciting things happening across the wonderful state of South Carolina!

Thank-you again for this opportunity.

May God richly bless you in all of your future endeavors!

Love,

Gregory Adams
