Katherine,

Can you check on this for me? I gave her the language of S.710 and when it went into law. Evidently our Spartanburg office is doing it right, but there are some statewide questions. Please let me know how to advise Mrs. Bagwell.

Thanks,

Shane

**Subject:** DMV and 1.00 for VET on license

Good evening Senator Martin, It seems there is some conflict on the resolution passed for our Veterans to go to the local DMV, take a \$1.00 , DD214 and have "VETERAN" applied to their license. One Vet called Columbia DMV to see if this was applicable and they were immediately told they had not heard of such, I do have the info you were so kind to forward me in regards to this before. Is there an effective date on this particular item? The County VA office has had a sign posted 'EFFECTIVE' June 1, 2012 etc on the license issue.... So where did they receive their information? I feel Vets are once again being misled. It does seem that nothing can ever be easy for them. Anything that you could help me within regards to this I would appreciate it. I was in hopes to present this at the MCL meeting on Thursday but now I dare not present "misinformation" until someone can make it clear when they can go and take action on this license issue. Do take care, V/R Pamela C Bagwell
