Hi Christian,

Thanks so much for your deep engagement in yesterday's Pay for Success kick off meeting. We are excited to begin all of the hard work ahead of us in the next few months!

Yesterday was a great start to many of the decisions, both easy and hard, that the project team will work through in the next 2-3 months. It was great to hear your perspectives on outcomes, savings, etc.

Please feel free to reach out to me at any time if we can be helpful, or if you feel like things get off track. I'd love to have an open line of communications so we can keep things moving forward. My cellphone is located in my signature.

Looking forward to working together with our teams!

Best

Lara
