We will rework the paperwork and get new signatures, then process to Allendale County.

Tony, per Mary Beth Fields, they only have one payment left to make. Can we send the reimbursement for the trip as she suggested below? More than likely this will end up in their last payment any way, but that way there is no possibility of overpayment on the federal taxes, which would leave their money in limbo for a while.

Marie,

Thank you for the email. This is an old problem (2011) that the Allendale County Office on Aging and Allendale County have been working on. Allendale County has been in contact with the IRS and from our understanding Allendale County is getting ready to make the final payment to the IRS, hopefully by the end of the year. In the meantime, it our suggestion that the LGOA pays Allendale County with a note it is for the Allendale County Office on Aging senior trip in November, who is now handling all finance for the Allendale County Office on Aging. The address for Allendale County is below:

Allendale County
PO Box 190
Allendale, SC 29810

Please let me know if you have any other questions. Thanks! Mary Beth

Mary Beth: The LGOA was finally preparing to cut a check to reimburse the Allendale group that visited the State House. However, Ruchelle said that because Allendale is under a federal levy, the funds cannot be sent to Allendale.

I am wondering what the levy is for, and how we can get this reimbursement to them. Can you give me some information on this issue? Thanks for your help.
