Subject: Meeting with Gov. Haley

Katherine

First, let me wish you a Happy St. Patrick's celebration. The main reason to contact you is I noted that the Governor will be in attendance, later this month, at the BMW announcement in the Greenville/Spartanburg area. I presume it will take place somewhere on the Plant grounds. Do you think it might be possible for us to meet with her to discuss our desire to have her as a Speaker at the Davis Phinney Foundation Victory Summit on Saturday, November 15, 2014. It will probably be a short meeting, 20-30 minutes.

Thanks again for your help.
