A poster for the "Friends of Hunting Island Inaugural Volksmarch". At the top is a photograph of a dirt path winding through a forest. Below the photo, the text reads: "COME JOIN FRIENDS OF HUNTING ISLAND INAUGURAL VOLKSMARCH". The date and time are "9am—3pm February 8th, 2014". A paragraph of text describes the event as a walk through the beauty of Hunting Island State Park's beach and maritime forest, patterned after German Volksmarches. It states the purpose is to promote the environment with exercise and wellness. A final line says "Proceeds go to supporting the Discover Carolina Science program for local school children." The poster has a decorative border of green and yellow leaves.

This is not a race, but a walk through the beauty of Hunting Island State Park's beach and maritime forest at one's own pace. Patterned after the German Volksmarches (People's Walks). It is to promote our environment with exercise and wellness. What a great, healthy way to spend the day with family or friends.

Proceeds go to supporting the Discover Carolina Science program for local school children.
