Come Out & Play 19th-Century Style ----

How on earth did children (and adults) entertain themselves before electricity was invented? Check out these games – Cup & Ball, Buzz Saw, Graces, Hoops, Jacob's Ladder, Miss Poppet Dolls, Quoits, Nine Pins and many more – next time you visit Rose Hill Plantation. Guess what? They are still a lot of fun to play today! www.southcarolinaparks.com/rosehill
