Subject: HCBS membership meeting

Good afternoon-

We are in the final weeks before the HCBS/NASUAD conferences, September 13-18 in Crystal City, VA. We are delighted to report that we are gearing up for the largest conference in our history. I wanted to point out a few key agenda items for you and to ask for you to do a few things for us as well.

SATURDAY/SUNDAY--

The NASUAD fall meeting is open to state aging and disability agency commissioners and staff, Medicaid LTSS directors and staff, and any other state staff that you invite. The NASUAD meeting is **CLOSED** to federal and local agencies except for specific sessions where they may have been invited as speakers. Vendors are not allowed to attend the NASUAD meetings. There is no additional charge to attend the NASUAD meeting.

The meeting includes a time for peer-to-peer discussions and sessions on the following diverse topics:

- State of the States
- DOL Regulations and their impact on HCBS
- HCBS Settings Regulations
- Measuring Quality of Life and Outcomes

White House Conference on Aging Discussion
HMA and Kaiser Commission LTSS Report
Pre-Admission Screening and Resident Review: An Important Rebalancing Tool
Oral Health—Disparities for Seniors and Persons with Disabilities
Avoiding Fraud and Abuse—How Forensic Audits can Assist
State Long-Term Care Ombudsman—Policy, Financing, and Operations

Members interested in learning more about the National Core Indicator-Aging and Disability Project will be invited to a special dinner on Saturday evening (look for an additional email from Kelsey Walter tomorrow with details) and we will have a members dinner on Sunday evening.

Monday

The intensives include:

- Medicaid Managed Long-Term Services and Supports
- Information & Referral/Assistance Retreat
- CMS Intensive Review of the new 1915(i) and 1915(c) HCBS Regulations
- Abuse, Neglect, & Exploitation: Prevention and Prosecution
- Money Follows the Person and Balancing Incentive Program
- TEFT Demonstration- How CMS is Supporting Measures Development and Health Information Technology Advancements in Community Based LTSS System Department of Labor (DOL) Fair Labor Standards Rule

Monday afternoon from 4-6 p.m. there will be the **first** opportunity for a discussion with your ACL regional administrators.

Tuesday-Thursday

We have 13 concurrent sessions running throughout the conference for a grand total of 130 sessions for you and your staff to choose from. As in prior years, ACL and CMS have tracks for you to learn more about their programs.

Tuesday evening we will celebrate NASUAD's 50 years of service to the states with a black tie optional gala. (Yes, your black cocktail dress will work. Yes, a nice suit is fine.) There is not an additional cost to attend the gala but you must indicate whether or not you are planning on attending the gala.

Wednesday afternoon from 3:30-5:00 p.m. there will be the **second** opportunity to discussion issues with your ACL regional administrators.

Wednesday afternoon from 5-6:30 p.m. a **White House Conference on Aging Town Hall** will be held featuring the new executive director of the WHCOA Nora Super and AoA Assistant Secretary Kathy Greenlee.

What you can do for NASUAD

1. Haven't registered yet? Just got approval to travel? Decided you want an additional team member to join you? There is still time. Go to www.nasuad.org
2. Already registered? Great! **If you or a member of your staff are planning on attending the NASUAD membership meeting on Saturday/Sunday September 13-14, please send an email to me** so that we can have an accurate count of attendees.
3. Now If you plan on attending the gala, please email me so that we can make sure that you have a ticket.
4. Want to learn more about NCI-AD? Email Kwalter@nasuad.org

See you in two weeks!
