Adrienne just called to say that this announcement isn't actually going to be made until next Monday. No word on how the reporter already knows about it.

Should discuss before responding.

Do y'all remember if we have video of the last event she did with Continental?

Brian,

Continental Tire announced today they would be investing 1.45 billion in Mississippi as well as adding 2,500 jobs in the Jackson metro area.

I've spoken with The Department of Commerce and would appreciate a quote from Gov. Haley as well regarding what Continental has meant for South Carolina.

This is breaking news and the story is continuously updating so the sooner the better would be greatly appreciated.

Thanks again,

Sarah
