

Network Service Outage Notification

Office of Executive Policy and Programs – Information Technology

Outage Type

Planned Maintenance

Date

Wednesday, November 12, 2014

Start Time

6:00 p.m.

End Time

11 p.m.

Areas Affected

*Edgar Brown Building
Wade Hampton Building
State House
Mansion*

Impact

There will be a complete outage of all access to the Internet from inside the affected areas. Users will be unable to access the Internet, network file shares and email from effected areas. Users will be able to access email remotely and will be able to use VPN to gain access network shares.

Reason

Networking equipment currently located in the Edgar Brown Building is being relocated to the DTO data center on Sumter street. The move is necessary to free up office space and is the final move of OEPP networking equipment in preparation for the Department of Administration.
