As you venture out to our parks today to enjoy the beautiful SC weather, please know that many of our parks are back to their normal capacities - pre-Covid19. Weekends are our busiest times, of course, and it is not unusual for parks to close because all parking spaces are full. We appreciate your patience & understanding. For more info, and answers to many of your questions, please visit our website: <https://southcarolinaparks.com/park-news/important-park-information>
