Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

My name is Jordan and I'm 10 years old. I am a fifth grader and I'm doing a report. I chose this state because I like to sailboats and your state sailboats all the time.

I've read your residents like to sail boats in South Carolina. I've read about the Piedmont, it sounded so interesting I would want to live there. If I lived there, I would definitely go to the Piedmont every day. One more thing I know your residents like to play music, pretty much it's your tradition.

I would appreciate if you could tell me facts about South Carolina also the history about your state. What is it like over there? What is your biggest hope for your state? What important project are you working on? What is your favorite thing about your state improvement?

Can you please respond by December 12 2015. Please, can you sign this map that I gave you? thank you so much for reading my letter.

Sincerely,

Jordan
