**Subject:** Telephone number is changing

---

A lot of you are used to calling my company cell phone which is 843 687 8619. After this weekend that number will not belong to me due to my recent retirement or at least for the summer. Please use number 803 478 7277 in the future to contact me if you will. Everything else is staying the same at the moment. You will be able to send text and pictures to the new number. Thanks.

Moye Graham
