Dear Governor Haley,

Hello! My name is Nathan Adams. I am 13-years-old, and I live in Michigan. I aspire to become a politician someday, and am writing you this letter for two reasons. The first of these reasons is to praise you, for I feel that it is very honorable what you have done for the State of South Carolina. Through unifying leaders of both political parties, you've gotten a lot done, and I feel that that is very noble indeed. The second reason for this letter is that I have recently started a political autograph collection, and I would be very honored to add your autograph to it. If you could please sign the enclosed index card and send it back to me at the following address, I would be extremely thankful.
