April 2014

The Division of Research is a multidisciplinary group of professionals dedicated to the collection, analysis and dissemination of accurate, timely data. Commerce's philosophy is that decisions should be made with accurate and reliable data.

The South Carolina Economic Outlook is a monthly publication of the South Carolina Department of Commerce's Division of Research. It provides the latest news and indicators on the state's economy and labor market.

We hope you find this report informative and insightful.

David Clayton, Director
Division of Research
