## Message from the President

Here at MTC, we are grateful for our friends and neighbors who consistently and selflessly give their time, talent, and resources to support our mission to provide accessible, affordable, higher education opportunities in the Midlands.

Many of our students are the first in their family to pursue a college degree, and many cannot afford the education without scholarship assistance. While they are working hard to become IT and business professionals, technicians, engineers, and entrepreneurs, we are working hard to secure gifts of scholarships and investments in our programs.

As we begin celebrating the holidays, we sincerely thank those who have contributed to the future of MTC, our students, and our community; and, we ask those who can contribute to please think of us during this season of giving.

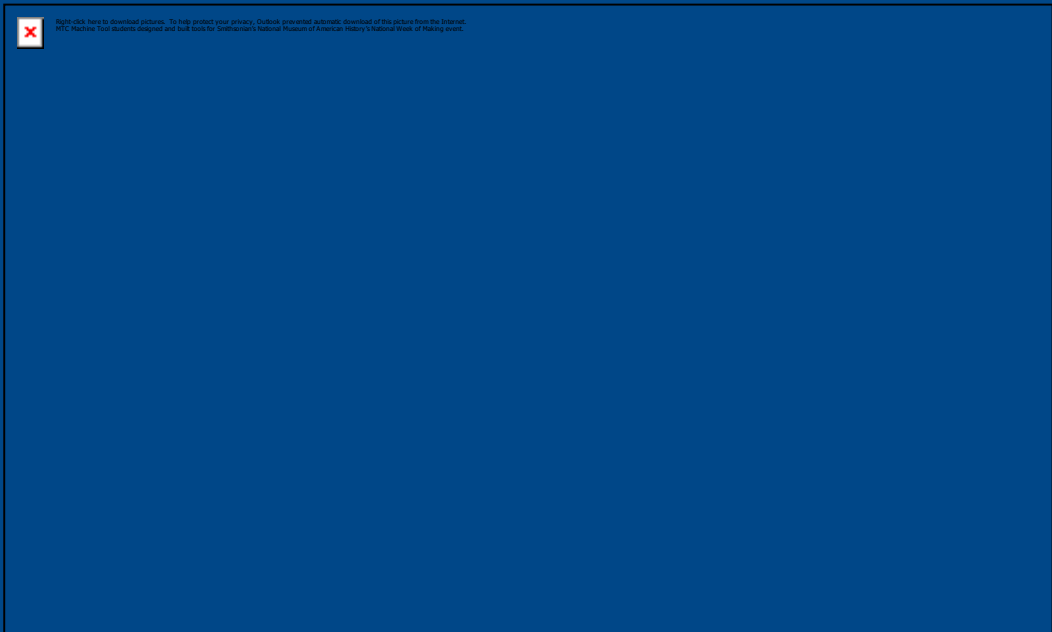

## MTC Leadership Giving totals more than \$2.25 million

Midlands Technical College leadership is showing real commitment by making pledges and gifts to programs and scholarships that total more than \$2.25 million.

"Here at MTC, we believe everyone can be a philanthropist. Even the smallest gift, when given in a spirit of generosity, can make a real impact at Midlands Technical College," said MTC Foundation Board of Trustees Chair Joe Johnson.

## Real Acclamation: MTC's college and career centers are national models for increasing access to higher education

Midlands Technical College was chosen to present on its high school college and career centers at the Association of Community College Trustees (ACCT) Leadership Congress.

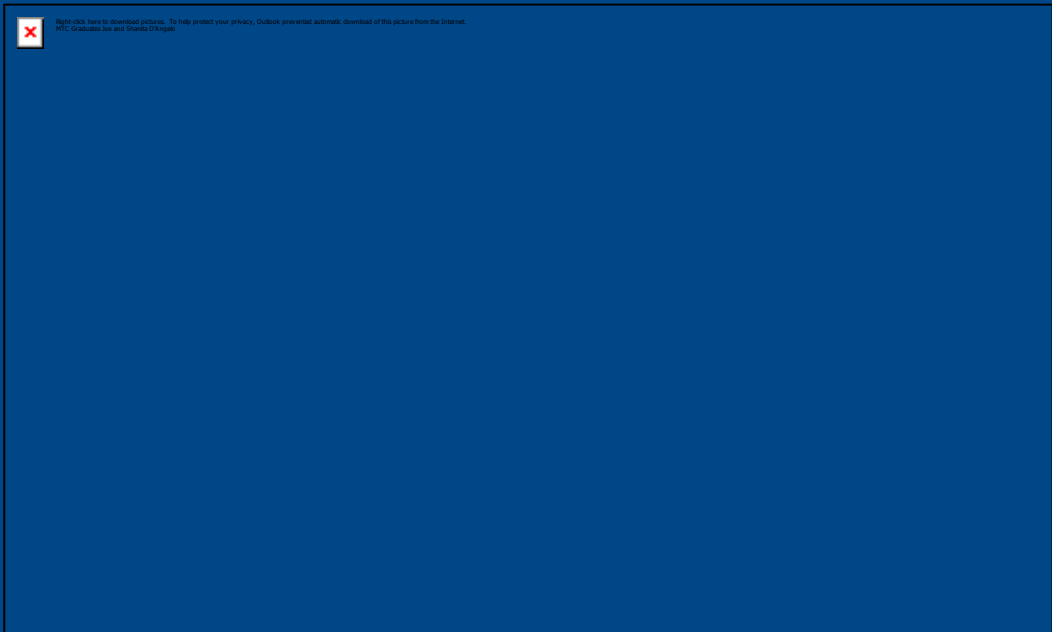

[Read how](#) MTC is a leader in improving access to higher education through community partnerships, and why MTC's college and career centers are national models for increasing college attendance in rural areas.

## A Real Legacy: Commissioner Emeritus Pete Sercer

The Midlands Technical College Commission officially named Dr. Pete Sercer as Commissioner Emeritus upon his retirement from the MTC Board of Trustees. With 27 years of service, Dr. Sercer is the longest-serving commissioner in the college's history.

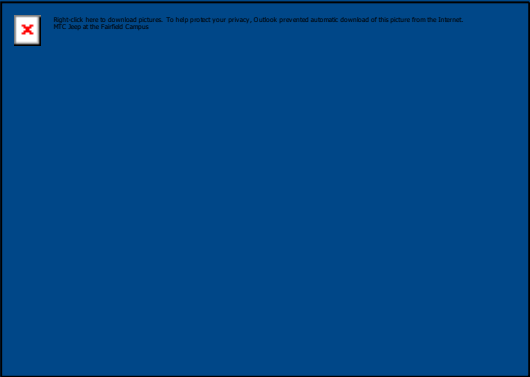

[Read how](#) he devoted his life to higher education and developing citizens of character dedicated to serving their community and nation.

# On the Road with Myles

Myles the MTC Jeep was featured in the 38th annual Veterans Day Parade.

See it in action with Dr. Rhames, MTC veterans, and Student Ambassadors.
