Where can you find 26, 40"x 26" nature prints hanging OUTSIDE in trees? That's Lake Greenwood State Park! The Carolina Outdoor Project with photos taken by Jon Holloway is on display at the park now through October 24. Come by anytime and see it by car, bike or foot with park admission. An art walk with the photographer will take place at 6 p.m., Sept. 18. Everyone is invited.
