Yeah, these are good/sad/hilarious. I've got budget meetings this morning, but I'll get back to you this afternoon on the status of all this...thanks.

Christian,

Please see attached my notes from reviewing the Professional and Occupational statutes and regulations. These jumped out at me initially, but I'm going to keep looking for other examples. Is this the type of information you had in mind? Let me know, and I can tailor my search accordingly.

Thanks,

Austin
