Good Afternoon ~

Attached is the State Budget Division's "Summary Control Document" showing the budget recommendations as passed by House Ways and Means for FY 2014-15.

Please note this document is the State Budget Office's attempt to maintain a historical record in summary form reflecting the recommendations/actions taken at each stage of the budget process. It is not intended to be construed as a binding, legal document.

Over the past year, a number of recipients of this email have expressed interest in an Excel version of the SCD. The attached Excel version is included for informational purposes only.

If you have any questions or would like to be removed from or have someone added to this distribution list, please contact me at the information listed below.

Thanks!
Rebecca
