Chairman Hayes,

Attached are observations regarding the statutory qualifications. Both Christian and I will be at full committee tomorrow at 10:00 a.m.

I will try to touch base with you first thing. Please let us know if you have any questions.

Thank you for your support.

Katherine,

Would you please take a look at this and then distribute it to the various interested parties for their consideration? I think the comments in the column explain the rationale, but obviously, I'm glad to answer any questions. Wanted to get it out ASAP, given the time constraints.

There's one open question for the lawyers (comment #8), plus the Drafting Police should take a look at some of the comma placements, etc. Thanks.
