6th Annual Fishing Tournament A Great Success

Under stormy skies, over 100 individuals participated in the 6th Annual Benefit Open Striped Bass Team Tournament on Saturday, April 30, 2005 at Portman Marina in Anderson. The tournament was sponsored by the Alzheimer's Association, Upstate SC Chapter, hosted by Striper Kings, Inc., and promoted by the National Striped Bass Association. A number of tournaments were run simultaneously offering participants the opportunity to enter the Alzheimer's Tournament.

A total of 56 boats entered the Alzheimer's Tournament bringing the amount raised to over \$13,000 including sponsorships and entry fees. Participants were treated to a barbecue and fish fry on Friday evening sponsored by the Bait Shop on Hwy 24. Following the tournament on Saturday, participants of the weigh-in enjoyed a hot dog supper and raffle. Cash prizes and trophies were awarded to winners of the various tournaments. The top winners of the Alzheimer's Tournament were: Ron Erickson as first place winner and Garry Wampole as big fish winner. A number of other prizes were awarded to other place winners. The Alzheimer's Association would like to thank the many businesses and individuals who made this event a success through their donations and participation.

In Memoriam

Mary Hitchcock, the Development Director for the Upstate S. C. Chapter died on February 28, 2005. Her work in the area of Communications and Development and Fundraising for the last four years helped bring higher levels of awareness and stability to the Chapter. Mary often said that she felt that working for the Alzheimer's Association was the best job she'd ever had. Thanks to all who expressed sympathy to chapter staff. We appreciate all volunteers and others who helped us during her brief battle with cancer and are continuing to assist us in the area of fundraising while the chapter has been without a person in that position.
