Dear Nikki,

I cannot express how greatly I appreciate your extraordinary effort on my behalf! Your valiant attempts to remind legislators of their ethical obligation not only to VOTE, but to evaluate the qualifications of judicial candidates independently were laudatory.

Although I am very disappointed by the outcome, I have learned

valuable lessons, and have been
shown the value of true friendship
& I am greatly in your debt for
your fearless advocacy, and
hope I may be able to return
the favor to some small measure.
Again, many thanks for your
courage!

Sincerely,
