**Subject:** NIA Resource for Health professionals: Get Alzheimer's and dementia tools and resources

---

Dear ADSSP, ADI, Systems Integration Grantees and Collaborative Partners,

Below please find information on a new online portal offered by the National Institute on Aging related to Alzheimer's Disease and other dementias. You may find some of the resources included in the portal useful in your work.

Thank you,  
National Alzheimer's and Dementia Resource Center

Do you work with patients or clients with cognitive impairment? [Visit our new online portal](#) for free clinical practice tools, training materials, and other resources for physicians, nurses, social workers, and other professionals.

You'll find:

- Tools for assessment, diagnosis, treatment, and management
- Disease-specific information
- Professional training and curricula
- Information about clinical trials and studies
- Patient communication and care tips
- Patient and caregiver education materials
