While we usually focus on the gaps and unmet needs for mental health services, it is occasionally worthwhile to recognize what we do well in South Carolina for persons served by the Department of Mental Health. The attached list highlights some recent developments and achievements involving programs and staff of the Agency.

Very truly yours,

  
John H. Magill, State Director  
SC Department of Mental Health

  
The Honorable Alison Y. Evans, Psy.D.  
Chair, SC Mental Health Commission
