**Harrison Manning** I've been to every waterfall at Jocassee. Its the most beautiful lake I've ever seen. We rented a 5 bed house on a private cove with our boat on our own dock 2 years ago. It was \$1,700 for for 4 days and nights. Worth every penny and affordable with a house that size. The lake gets 400ft deep and you can see the tree tops of the forest at the bottom of the lake on the sonar. There is a whole town down there including a cemetery. Really creepy driving around on the lake in the middle of the night. Its all fed by mountain streams and waterfalls. My dream retirement place for sure.
