Subject: FW: contact information for introductory emails

Attachments: Beth Webb.vcf

This is the email I sent Rachel a week and half ago. I copied you but put a dot between your first and last name...old Hill habits die hard! That email address is the one you sent with her v-card, but is it possibly gmail instead of Hotmail?

Subject: contact information for introductory emails

Hi Rachel,

Thanks so much for your time on the call yesterday. I appreciate all the information you shared. Do you mind sending me the contact information you have for the different Wal-Mart people you mentioned? I would like to reach out to each of them.

Also, I've attached my contact card for the different supplier companies you mentioned. I do feel like I have begun to establish a relationship with Solmi, but I would love for you to start the dialog with Mike O'Shaughnessy, the Kamlers, the Hornicks and K.K. Lapuria and any others you can think of.

And just in case you ever need it, my personal email is elizabethdaviswebb@gmail.com, and personal cell is 803-760-4546.

Thanks again, Rachel!
Beth
