at 17:14:16 on 4/27/2010 UTC · 🌐

We have a new SC tourism website, DiscoverSouthCarolina.com! It's visually appealing, easier to navigate and has lots of new features and content. One new feature that we are excited to share with you is the South Carolina Insiders. These folks are South Carolina residents who will be writing and blogging about particular facets of life in our state - Food, Family Travel, Arts & Culture, Outdoor, Less Traveled and Golf. We'll introduce you to those Insiders who will be writing about state parks!
