---

Ma'am, Good afternoon. Upon 2nd review of the calendar, it appears that the 23rd is not a favorable day for the Commanding General.

If you could please shift it to August 30th, I would really appreciate it. We look forward to the Lt Governor's visit and are sensitive to the challenges of his calendar, so we will do our best not to suggest another shift.

Warmest Regards,

Ann E. Byrum  
Executive Assistant to the Commanding General

Tori Beth,

We will go ahead with the visit next week w/ the CG per your request, with the caveat that you all can come back out for Family Day on 23 August with the CG and Mrs. Johnson. We'll plan the same timeframe for the 23rd for Family Day: 0900 is Family Day and we'll take them around a little bit to see different stuff than next week thru lunch (assuming that time is possible).

I've cc'd Ann Byrum who is the Command Group executive assistant. Ann will work with you for details on the two visits.

Look forward to seeing you all next week!

Mark

Hi Sir,

I apologize for the delay in getting back to you as I was out of the office all day yesterday. Is there any way we could still come on July 20th for the graduation and tour and then come back for a Family Day ceremony when MG Johnson's wife is back in town? If this isn't a possibility, I completely understand. The Lt. Gov. was really looking forward to coming next week, but we will definitely do whatever is best for you all.

He does have availability on August 23, 24, 30, and 31 if those work better. We are so appreciative of you having us, and the Lt. Gov. is looking forward to learning more about the functions of Ft. Jackson and everything you do for the men and women who serve and for our community.

Thank you so much!  
Tori Beth

Per our conversation, we'd like to reschedule Lt Governor Bryant's visit to Fort Jackson due to MG Johnson's wife now being out of town on 20 July. The CG and his wife will be out until 14 August, so we'd have to try and schedule it after that date. Ideally, the visit is on a Thursday (that's when our Basic Training graduation ceremonies are held) or at least Wednesdays (when our Family Day ceremonies are held). I honestly prefer the Wednesday ceremony, but Thursday is more formal.

If you could send some possible dates past 14 August, we'll do our best to accommodate.

I am sorry for the change in plans.

Thank you!  
Mark
