Honorable Governor Nikki R. Haley,

On 12-13-2012 my mother passed away and since then Medicaid has stated that we owe \$26,291.⁰⁰ to them. I have written Senator Graham and he answered the first letter (I had enclosed all correspondence to him. You may read it). I am asking that you have this amount wrote off. I know that there are people in South Carolina who get this amount or more wrote off all the time.

Governor Haley, Do you have my back, Do you make a Difference? Is it really a great Day in South Carolina. Please show us that you mean what you say.

Sincerely

G. Warren Cox

Dear Mr. Cox:

Thank you for contacting my office and making me aware of your concerns. I understand your situation and appreciate your confidence in turning to me at this time.

Because your concern is not federal in nature, as a courtesy to you, I am forwarding your letter to the appropriate agency officials. I have requested that they review your case, give it every consideration, and respond directly to you.

I hope you will continue to be in touch whenever you have a problem of a federal nature or wish to express your views on issues before the United States Senate.

Dear Senator Graham,

I wrote you a letter on 4-4-2014,
please find enclosed.

You wrote back (find your letter enclosed)
stating that this was not a Federal matter, but
someone would be in contact with me. No one
has contacted me yet (4 Months Senator).

I am not asking that this Medicare bill
on my mother be written off in full since
it has taken so long. Someone has dropped the
ball. Hope I don't drop it on Nov 4th 2014.

Thanks
