Hi Hank,

Please ask our front desk volunteers for Elizabeth Bernat, Executive Director, when you arrive. She is looking forward to meeting Lieutenant Governor Kevin Bryant and giving him a personal tour.

Thank you again for reaching out to us and for coming to visit our center. Our seated exercise class is from 11a-12p tomorrow and we have an active member who is 103 years young who attends the class. Everyone thinks she is at least 20 years younger than she actually is. She ambulates independently and is cognitively very sharp. She still bakes on Sundays. She is just one of our members who amazes me. She is currently our eldest member.

As you know our opening age is 50 so we serve a wide range of older adults. Please be sure to grab a newsletter and take a peek at the multitude of wellness programs we offer each month. I'm sure you will get to see many of our members their center.

Thank you again for carving time out to come see us!
