I would like this:

Since DSS started DSNAP, it has served x people, by location

Since DSS started DSNAP, it has approved x people for assistance, by location

Since DSS started DSNAP, it has denied x people for assistance, by location

Since DSS started DSNAP, it has encountered x issues

And, I want this info updated everyday until DSNAP ends

I told the governor she would have this information in her briefing today

There are approximately 350 clients outside of the building and approximately 1,000 clients inside of the building. We will give an update of the total number of clients serviced once the information is reconciled at the end of the day.

Thanks,

Eva
