I don't want to use the same restroom or have my children using the same restroom as a man! If they want to be confused about their gender , that's their problem. Other citizens should not be brought into their problems. If transgenders want to be comfortable, let them use their own bathroom at home, or simply BE the gender that GOD created them in!!

I don't agree with the law and it will effect the safety and purity of our society.It's against what I believe.
