It's always a great day when a company expands in our state, especially when it's one of the coolest companies in SC with a new state of the art facility that will allow innovation and technology like no other in the country! We were proud to stand with GE as they announced a \$400 million investment and 80 new jobs in Greenville! It's truly a testament to our workforce that GE has called SC home and continued to grow here for 47 years. Team SC is on the move! #SCPride #TeamSC #Jobs
