I'm good with #2. On #1, do we just want to ask about GAAS experience, or should we ask about GAGAS experience too? Thanks.

Search Committee Members,
As discussed at our last meeting, Bill drafted additional interview questions in light of the revised vacancy posting and I am forwarding those questions to you. Please let me know whether or not you have any changes to these questions. I will then add the final version to the list of interview questions and we can submit them to the candidates you previously interviewed for them to provide a response. Please let me know if you have questions.
Thanks.
Sam
