My understanding is there is a more recent version. I will get that to you. I will also get it updated on the website.

Can you please find out if this has been created in the years since 2013? It will help us on that discussion we had with the House members on a committee to review their concerns on nursing home staffing.

Danny,

Per our conversation you were planning to find out if there is a more recent report from the Long Term Care Ombudsman Office than this report from 2013 - <http://aging.sc.gov/SiteCollectionDocuments/123/2013%20Ombud%20Annual%20Report%20Data.pdf>.
