

2014 Legislative Session Wrap-Up

Top Five Educator Issues in SREB States

(by number of bills introduced)

Teacher Evaluation (13)

Recruitment and Retention (10)

Professional Development (9)

Teacher Compensation (9)

Certification and Licensure (7)

SREB States By the Numbers

13 Number of state legislatures (out of 16) that enacted legislation related to teachers and principals.

136 Number of teacher-related bills introduced in 14 SREB states.

29 Percent of introduced bills passed into law.

What to Watch For

Once the North Carolina General Assembly adjourns later this month, we will release a legislative retrospective summarizing enacted bills and demonstrating how new laws will affect state and district policy.

Updated July 9, 2014, from [SREB's online bill tracking tool](#).
