CONFIDENTIAL AND PRIVILEGED  
ATTORNEY WORK PRODUCT

Richele and David:

Attached is a very general timeline of the litigation events in the current MOX case.

We've got a copy of the transcript and are going over that now to find a line or two that opens up the phone call to the clerk asking if the Judge would like to know that DOE sent a letter contradicting something DOE represented in Court (or at least that's what we're looking for). I'll reach out to the clerk later this week.

I'm still exploring an idea on the other issue and will get back to you this week on that.

Randy
