This is the information we received from EMD. We are working on the exceptions.

Food for thought would be to include generic language in the Executive Order citing the personal safety exception for agencies/offices that exercised it. However Kevin or I will get you our best information on specifics as soon as we get it.

As promised, believe we're fairly solid on this data. We have scrubbed all of our sources and conducted a final check with our Regional Emergency Manager (REMs) and Counties today.
