Subject: Preliminary Site Location: Waccamaw River County Day_City of Conway Recreation Department

FYI:

To put on your radar, the preliminary site location I am looking at right now for the Waccamaw River County Day on Friday, November 4, 2016 from 11:00AM to 3:00PM is the City of Conway Recreation Center.

I will be doing a site visit this upcoming Tuesday, November 1, 2016 to confirm this as the location.

I will know more about the location and space on Tuesday, but there is a gymnasium, parking, and looks like an area where we can facilitate the car line for flood buckets, supplies, food boxes, etc.

Please contact me directly if you have any questions.

Location:

City of Conway Recreation Center
1515 Mill Pond Road
Conway, SC 29527

Initial Needs:

- The site currently only has 20 tables and 50 chairs available. I will likely need up to 50 tables and 100 chairs.
- Assistance with local law enforcement concerning traffic flow and security.
- FEMA & SBA mobile on-site representatives.
