Hello, Hayden

Thank you for this inquiry. Yes, you have the correct information. I am the current President of the Summerville Republican Women's Club. We meet monthly on the first Monday of the month beginning at 11:30 AM at Oscar's Restaurant in Summerville. There are some exceptions to this schedule. For example, this month we are traveling to Columbia on March 8 to tour the capital and meet with our representatives instead of holding our regular meeting. We typically have 15-20 present at our meetings.

We would welcome the Lieutenant Governor and all of the congressional officers at any of our meetings.

Subject: Lt. Governor's office-Summerville Republican Women's Club

Good morning,

My name is Hayden Grooms and I am the director of External Affairs for Lieutenant Governor Bryant. The information posted on the SCGOP website seems to be outdated, so I am contacting various Republican Party clubs and associations throughout the state to try and update this information. I hope to be able to propose a calendar to the Lt. Governor detailing some possible events that he could attend to address local issues with local party members.

I am wondering who would be a good contact, if not you, to schedule these events and possible speaking engagements. Where the meeting is located and how frequently is it held? Lastly, what is an estimated average number of attendees so that, if need be, we can prepare the correct amount of literature?

Thank you for your help a-and your service to the Republican Party.

Sincerely,

Hayden Grooms
Director of External Affairs
Office of Lt. Governor Bryant
