Subject: Schedule tomorrow

Bill,

Attached is the schedule for tomorrow. I don't know if this has been shared yet with the Governor.

Coffee will be served in the lobby and outside under the awnings beginning at 8:30 and the program starts at 9:00 in the theatre. The Governor might want to mingle with the crowd during the "coffee and conversation" period from 8:30 until 9.

I have been asked to meet the Governor and then escort her to a seat in the front row or back stage, depending on her preference, before her "Welcome" address. I will assume, unless I hear otherwise from you, that she will arrive early to mingle in the lobby and I will introduce myself to her then.
