**Subject:** Introducing the new iPad Pro.

---

[Learn more](#)   [Find a store](#)

iPad Pro can do things a PC can do. And a whole lot of things a PC can't. Featuring the A9X chip with 64-bit desktop-class architecture and our most advanced mobile Retina display ever, the 9.7-inch iPad Pro weighs less than a pound and sets a new standard. Add Apple Pencil and the Smart Keyboard and you'll have the most versatile iPad ever.
