FYI - it seems as though DHEC rewrote the med mal bill for the committee. Katherine Phillips also called and said Sen. Davis will likely offer the DHEC rewrite as an amendment.

David,

The senate medical affairs subcommittee met in the fall on the medical marijuana bill S672. Director Heigel appeared before the subcommittee and stated that DHEC did not take a position on the bill or medical marijuana in SC. The subcommittee expressly charged DHEC to review the bill language, conduct research and provide input on the bill from a regulatory standpoint. In response to the subcommittee's charge, DHEC provided the attached feedback to the subcommittee. DHEC responded to the charge of the subcommittee and continues to remain neutral on the bill from a policy perspective.

Please contact me or David Wilson if you have any questions or wish to discuss this further.

Thanks,  
Katie
