Danny-

Yes, the call was a heads up about the MOX decision that the DOE made a couple days ago.

Thanks,

Allie, is this about MOX? I'm sorry, but I just haven't been in the loop on this until you called.

Danny,

I apologize for the delayed response. The Deputy Secretary was looking to set up a call today to follow up on the recent announcement. He is happy to call next week to address any questions or concerns that the Lt. Governor may have. Please let me know if the Lt. Governor is interested in a phone call and I am happy to assist with scheduling.

Thank you,

Allie, I'm sorry, but LG Bryant will be presiding tomorrow over the last day of our regular session and won't be able to leave the desk. Is there a time next week?
